A woman with long dark hair, wearing a light blue top and dark pants, is lying upside down on a grey armchair. She is smiling and looking towards the camera. The background is a minimalist interior with a white wall, a small potted plant, and a decorative object. The overall lighting is soft and modern.

The background of the image shows a large crowd of people at a concert or festival. Their hands are raised in the air, some making the 'rock on' or 'devil horns' gesture. The scene is set against a bright, hazy sunset or sunrise, with a warm orange and yellow glow. The overall atmosphere is energetic and celebratory.
